Shipping will be provided by Scottsdale Equine Reproduction Center. Any unused semen/straws must be returned to Scottsdale Equine Reproduction Center. The responsibility for conception is on the Mare Owner. Mare Owner may return any unused semen to Scottsdale Equine Reproduction Center or store it for future use. **It is the mare owner's responsibility to notify the Stallion Owner of the frozen semen breeding date prior to AUGUST 30TH of the current breeding year so mare may be included on the breeding report. If the embryos are frozen and implanted in a subsequent year then the Mare Owner will owe that year's stud fee for which the embryo is implanted once the embryo reaches 45 days within the recipient mare. It is the Mare Owner's responsibility to notify Stallion Owner of the number of embryos that matured and date implanted or frozen. **All fees must be paid in full 10 days prior to shipping.** A request for a shipment of frozen semen must be made a minimum of ten (10) days before frozen semen is needed.
